Chapter 1 by Jayde Avalon

I know lots of us have songs that we've written, so go ahead and show us. If you have a video of you playing/singing your song, post it after your lyrics, or your lyrics can be set to an existing song. If you would rather just do the lyrics, that's fine too. Also, it would be great if you could include a brief paragraph summary of your inspiration.

Example:

/Parasite/

/Metal/

You first drew breath without a thought
For all the pain and hate you brought.
You never try, you worthless sot!
You'll never be the girl you ought!

/Parasite.../

You do no right,

But still you fight!

/Parasite.../

Feel the bite of the parasite

You take and steal, you lie, you cheat,

You think you're cute, you're oh, so sweet!
Do one thing right, it's such a feat!
Wake up, girl! You're worthless meat!

/Parasite!/

You do no right,
But still you fight!

/Parasite.../

Feel the bite of the parasite!

~~~

/You don't deserve your life,/  
/You have no right to pride,/  
/You hold your bloodied knife,/  
/Behind tears of blood you hide!/

~~~

How long will you keep feeding
On those who, for you, are bleeding?
They treat you well, but you're beating
Their hands away, not believing
You're a

Parasite!

/(You don't deserve your life...)/

Parasite!

/(You have no cause for pride...)/

Parasite!

/(Feel your bloody knife...)/

Parasite!

/(Your tears of blood can't hide!)/

This song was inspired by me-by the fact that I have such a long, deep history of lying, defiance, and selfishness. I'm basically my conscience talking to me. I'm up-a parasite. This song is basically my conscience talking to me.

Chapter 2 by -

My songs are really bad, but I love to write lyrics and a tune with the piano... Here goes...

She held on tight

She didn't even think about the fight.

She hoped and prayed something would go right.

Yeah she smile with all her might.

She saw a light shining through her window,
which brought back memories of her nintendo.

The good days,
of her ignorant faze.

Everything was perfect,
everything was worth it.

Everything had an exact rhyme,
an exact time.

Nothing would go wrong,
it was bliss,
now that's all gone,
to go back is her wish.

I write a lot of love songs, but of course, I know absolutely NOTHING about love.....

Chapter 3 by Adam

One day, I decided to take all my anger out on the world and everything inside of it by writing a song. It is set in a war-torn earth. Society has broken down and the common folk are controlled by the lords and powerful people.

P.S I'm not good, but hey. Worth a try.

(opening instrumental)

(verse 1)

No-one knew, what was to come
but the fear, of oblivion
was in their eyes, with nothing else,
PEOPLE THOUGHT THEY WERE SOMEONE ELSE
eye to eye, hand to hand.
No-one dared, to take a stand
They let the villains, take command.
OF ALL WE KNEW THAT WAS

(bridge)

Perfect lies,
darkened skies.
ended lives,
bloody knives, x2

(Chorus)

We take control, embrace the fall
Making the corrupted right
Chasing after dying light
Change the timeline, change the course
Take them on with damning force
Through fire we're taking flight
Through fire we're taking flight

(Verse 2)

The leaders, are flying,
The bystanders, dyin'

For no reason at all

The cities, were burning,

the people, were yearning

For the climbers, to fall.

Chapter 4 by Magdalene

Translate your song into a foreign language while maintaining your original structure

Tenebrae obcaecaverunt oculos tuos a me

Et omnis de promissis

EGO coniecto vos libenter accepit

Sed nihil aliud est quam tu hypocrita

Sed sciendum est nimis sero

Compertoque Plautum et sustulit me in escam

Nos audire possemus clamoribus tuam in nocte

Clamabant veritatem mendaciis

Tunc apprehendit me et omnia mea

Ut non videant oculi caecata

Omnia mihi fiducia est apud vos

Et munimenta perrumpit meum

Omnes enim vos in me et vos in me et dirumpam

Sicut parvipendens quod numquam facere consueverant

Et misit me et te perdidit dignitatem meam

Dixisti etiam quod non valent, non esset diligeretis utique me

Frangeret aliquo cepit cor meum fugeret

Nemo venit ad me recte fortasse

Nemo umquam mihi contritus sum

Relicturus es hic autem divertentes lumina solis

Ego victus et captus est

Non solum autem mihi, quod esset

Ut me coegistis incurrerunt ante te

Omnes autem oppressit me

Contrita piece per fragmen cor meum

Ego oro supplex et acclinatus

Omnes enim vos in me et vos in me et dirumpam

Sicut parvipendens quod numquam facere consuerant
Et misit me et te perdidit dignitatem meam
Dixisti etiam quod non valent, non esset diligeretis utique me

Frangeret aliquo cepit cor meum fugeret
Nemo venit ad me recte fortasse
Nemo umquam mihi contritus sum
Relicturus es hic autem divertentes lumina solis

Tu scis omnia infirma macula
Vos scitis quod cepi
O Deus, adiuva me
Dum es distractus

Omnes enim vos in me et vos in me et disrumpam
Sicut parvipendens quod numquam facere consuerant
Et misit me et te perdidit dignitatem meam
Dixisti etiam quod non valent, non esset diligeretis utique me

(Promise me, it won't translate correctly)

I was blinded by your darkness
And every one of your promises
I guess I liked how you took it

But you're nothing than a hypocrite

But I realize it too late

I had dived in and took the bait

We could hear your screams in the night

Shouting all the truth in your lies
Then you grabbed me and broke all of me
Blinded my eyes so I can't see
You took all my confidence
And you broke through my defenses

All you did was take me and all you did was snap me
It's like you never cared about what we used to do
So you threw me and I lost all my dignity
You said I wasn't worth it no one would love me too

Somehow you grabbed my heart and ran away to break it
No one ever came to help me maybe you were right
No one would ever love me all I am is broken
Now you're leaving me here alone and turning out the lights

I was taken and then beaten
Not just me but what I had been
You forced me to bow down to you
All of me you overthrew
Shattering my heart piece-by-piece
I'm on my knees begging you please

All you did was take me and all you did was snap me
It's like you never cared about what we used to do
So you threw me and I lost all my dignity
You said I wasn't worth it no one would love me too

Somehow you grabbed my heart and ran away to break it
No one ever came to help me maybe you were right
No one would ever love me all I am is broken

Now you're leaving me here alone and turning out the lights
